

同燃希望卓越大使 AMBASSADOR OF HOPE

關宇澄 救恩學校
Kwan Yu Ching, Kau Yan School

新冠肺炎疫情困擾整年，特別影響社會基層。五年級生關宇澄主動策劃了為期一個月的項目，服務長者和低收入人士，希望為他們提供溫飽飯餐。她透過在家完成家務，賺取零用錢購買食物，同時邀請親戚和朋友捐贈，把收集到的食物一併交到服務機構「惜食堂」，轉送到有需要人士手上。

護瞳行動欣賞宇澄的自發性，她憑一人之力，構思、策劃和實行整個計劃，表達簡潔清晰。項目效果未必是眾參加同學中最大，但其服務精神與行動力可嘉，期望宇澄的行動，能啟發更多創意和行動。

The COVID-19 pandemic was particularly hard on grass roots communities. Yu Ching, a fifth-grader, specially planned a one-month project to serve the elderly and low-income community by providing them meals. Her plan was to earn pocket money by completing housework at home to buy food. She also invited relatives and friends to donate food. All food was donated to Food Angel which redistributed the food to the underprivileged community.

The Fred Hollows Foundation appreciates Yu Ching's initiative, coming up with the idea, planning and implementing the entire plan by herself. She shared her idea, plan and action very clearly in her submission. The Foundation appreciates her spirit of service and hopes her action can inspire more similar programs.
